NO. 190.

FRIDAY, MAY 19

THE growth of Col. M. W. Hoye's
popularity seems to keep pace with
the increasing excellence of his
annual fish fry.

Boss Cox, with his Cincinnati
delegation, will hold the balance of
power in the approaching Republi-
can convention, and his influence
will go to the highest bidder. Mr.
Kurtz claims to have the call on the
boss's influence just now, but Mr.
Hanna has not yet quit bidding.

WHENEVER W. S. Capeller, the
veteran Republican editor of Mans-
field, visits a political news center,
he takes a shot at Senator Hanna.
In an interview at Toledo he
denounces Hanna as "an unscrup-
ulous brawler" and says the party
owes it to itself to "retire Hanna
from his pedestal of base deception."
After this home thrust there seems
to be nothing for Hanna to do but
retire.

THE announcement that Boss Cox
of Cincinnati will have the control-
ling hand in next month's Republi-
can convention must be anything but
gratifying to Senator J. Park Alex-
ander, who wants to be Lieutenant
Governor. Senator Alexander helped
to turn about 2,000 Cox retainers out
of office by supporting the Cincinnati
ripper bill in the Legislature two
years ago. Unless this incident has
been forgotten by the Hamilton
county boss, there may be breakers
ahead for the Akron statesman.

"The secret of the maintenance of
all trusts is that they receive favors
from railroads in transportation,"
says Attorney General Monnett. "If
the courts and all the executive offi-
cers would enforce existing laws,
there would be no industrial combina-
tions. The trusts steal both the
state and federal power to whip and
crush individuals." The Attorney
General is very adept at telling how
the trusts use and abuse their power-
ful influence, but in clinging to the
party that encourages trust interests
and which eagerly accepts campaign
contributions from the great com-
bines, he weakens the force of his
opposition to the trusts.

TWO LADIES Thrown From a Carriage by a Runaway.

Miss Mabel Goodwin Had Her Left
Leg Broken.

Miss Mabel Goodwin, 529 West
Market st., had her left leg broken
below the knee in a runaway on West
Market st., near Valley st., at 7
o'clock Thursday evening.

Miss Goodwin with Miss Grace L.
Cramer, 157 Crosby st., were driving
east on West Market st. At Valley
st. the horse became frightened by a
street car. The vehicle was over-
turned and the occupants thrown to
the pavement. The buggy was quite
badly damaged and the horse cut
somewhat. Miss Goodwin's leg was
broken in the fall. She also received a
severe cut in the head. Fortu-
nately Miss Cramer escaped with a
few scratches.

TRAIN WHISTLES.

Complaint Made Because They Are
Sounded In Akron.

Vigorous complaints have been
made to Mayor's Clerk Halter about
the blowing of railway engine
whistles inside the city limits.

There is a city ordinance which
provides that it is unlawful to blow
whistles inside the city limits, ex-
cept in case of impending danger.

The probability is that a number
of engineers will be arrested and
prosecuted if the nuisance is contin-
ued.

COMPANY

Has Purchased the
Swinehart Patent.

Vehicle Tire That Will be Manu-
factured In This City.

James A. Swinehart, a contractor
residing at 729 East Exchange st.,
has been granted a patent on a rub-
ber tire for vehicle wheels. In the
device means are provided whereby
the tires can be securely connected
with the wheel rims, yet can be
readily disconnected therefrom
whenever desired. The invention
consists essentially in the combina-
tion, with the rim of a wheel hav-
ing out-wardly extending peripheral
flanges at the sides, of a solid or
cushion tire of rubber provided on
the inner side with transverse metal
bars, and with wires extending
around the rim and engaging with
the ends of the bars.

This tire differs from the ordinary
tires now in use on account of its
being made in a cylindrical mould,
out of which it comes, when cured,
in a coil shape, the coil being 12
inches in diameter. Consequently,
when it is put on a 4-foot wheel, the
outside is compressed, or "upset,"
making it almost impossible to cut
the tire; and if the tire is cut, the in-
cision will almost invariably remain
tightly closed. It is also without the
usual wires running lengthwise
through the tires; instead, it is fas-
tened by cross-bars vulcanized into
the rubber, and over the ends of
which, wires passing between the
flange and the rubber.

Mr. Swinehart has disposed of the
patent to the Akron Tire Co., which
has been formed to handle the tires.
The members of the company are:
James A. Swinehart, Dr. L. E. Sisler,
James Christy and Matthew
Buckman. The business office of
the company will be at the store of
Christy & Son on Howard st. If the
company does not sell the patent it
is the intention of the members to
apply for a charter for the incorpo-
ration of the organization.

At present some of the tires are be-
ing made by the Goodyear Rubber
Co. on Factory st., East End.

ANNEXATION.

The Way to Obtain Better
Postal Facilities.

Dr. L. S. Ebright Waited Upon by
Citizens of Coventry.

A committee of citizens residing in
Coventry township, just south of
Akron, called on Postmaster L. S.
Ebright Thursday. They wanted the
postmaster's assistance in secur-
ing a postoffice near the street car
barns.

To a DEMOCRAT reporter Dr.
Ebright said that he had his hands
full attending to his duties at the
Akron postoffice.

He advised the committee to get
the territory annexed to Akron and
then they would receive city service
and undoubtedly get a station or sub-
station. He further told them that
it would be much better under that
arrangement, because they would
get their mail delivered to their
door. On the other hand, if a sta-
tion is put in they will be compelled
to call at the postoffice for their mail,
as it would be operated on the same
plan as all country postoffices.

BLUE GILLS.

Gen. Hoye's Fish Fry.

Two Hundred Guests En-
joyed the Feast.

A Splendid Spread at
Barberton Inn.

Annual Event Will be a Legal
Holiday.

Toasts Responded to by Various
Orators.

Between 7 and 7:30 o'clock Thurs-
day evening, 200 hungry individuals
boarded special cars enroute to Bar-
berton. They had abstained from
partaking of food ever since the an-
nouncement of Gen. Hoye's annual
fish fry and were in prime condition
for that stirring and mirth provoking
event.

Gen. Hoye, well knowing that a
full stomach begets happiness and
that fun is unknown to a half starved
and expectant free luncher, had tele-
phoned Host Hutton to have the
spread ready to serve at a minute's
notice. There was sound sense and
caution in this timely warning, as
the horde of famished fish fiends
were in no mood to countenance any
unnecessary delay. Arriving at Bar-
berton Inn they were ushered into
the dining room, where blue gills,
fried potatoes and other delicacies
too numerous to mention were laid
before them in general abundance.

And oh what a feast it was! For one
hour the guests of Gen. Hoye laud-
ed and filled themselves with the
appetizing viands served up by the
hustling waiters.

Then came the feast of wit. Hon.
George W. Crouse had been named
as President of the Day. In his in-
troduction remarks he accused Sen-
ator Alexander, Hon. H. C. San-
ford, Dr. Ebright and At-
torney Sawyer of perpetrating the
jokes, which were upon the program.
He said that he, as President of the
Day, insisted on the right to act as
toastmaster, despite the fact that L.
C. Miles was named as official time
keeper. He closed by paying his
respect to Gen. Hoye and introducing
L. C. Miles.

Mr. Miles suggested that "Mike
Hoye day" be made a legal holiday.
His advice was received with a gen-
eral hurrah.

The balance of the program fol-
lows:

Mayor W. E. Young—"Expansion."
William T. Sawyer—"Our Host."
A. Waggoner—"The Kingdom of
Cash."

Hon. H. C. Sanford—"Never Say
Die."

Hon. L. S. Ebright—"Pills and
Stamps."

Col. Chas. Dick—"Mike Hoye and
Washington."

Hon. J. P. Alexander and T. C.
Raynolds made informal responses.

The guests were as follows:

Geo. W. Crouse, Chas. Dick, W. T.
Sawyer, L. S. Ebright, W. E. Young,

RELEASED

Obligations.

Achille Philion Gives His Side of the
Controversy--A Denial.

Mr. Achille Philion vigorously de-
nies the articles published about
him in reference to his recent trou-
ble with his former wife in New
York city. Although he was arrest-
ed on two different occasions he was
never placed behind prison bars.

Mr. Philion said he commenced
divorce proceedings against his
former wife in 1890. In Colorado on
August 26, 1893, he was granted a di-
vorce. Just previous to being grant-
ed a divorce he had neglected to pay
her alimony at the rate of \$5 a week,
at the request of his lawyer. After
the divorce had been granted she
wanted to release him entirely from
further obligations whatsoever, if
he would pay her \$1,000. He refused
and then she made an offer of \$500.
Finally through his attorney in
Brooklyn she signed the following
release, which is self-explanatory:

"To all to whom these presents shall
come or may concern:
Greeting:

"Know ye, That I, Emma Philion,
formerly the wife of Achille Philion,
for and in consideration of the sum
of three hundred dollars, lawful
money of the United States, to me in
hand paid by said Achille Philion,
have remised, released, and forever
discharged, and by these presents do

NINE WEEKS

She Laid In Bed With-
out Being Moved.

Frightful Burns Prove Fatal--She
Suffered Terrible Agony.

Death relieved little Bessie Der-
hammer from her terrible suffering
Thursday afternoon.

Nine weeks ago her dress caught
fire from a stove in the home of her
parents, Mr. and Mrs. R. M. Der-
hammer, 110 Allyn st. She was
frightfully burned about the body,
arms and head.

Since that time the child has been
unable to move. She has laid in one
position all of the time. Any at-
tempt to move the little sufferer
caused her untold agony. The phys-
icians stated that she could not re-
cover. Thursday afternoon their
predictions were proven.

She was five years and six months
of age. Funeral services will be
held at the residence at one o'clock
Saturday. Interment in Glendale
cemetery.

ADDITIONS

To be Made to the Erie Railroad
Freight House.

W. P. Kimble of Gallon, road mas-
ter of the Erie railroad, spent Thurs-
day in this city. While nothing
definite could be learned from the
local officials of the road, it is cur-
rently rumored that the object of
his visit was to view the freight depot
and prepare estimates for enlarging
the building, and making general
improvements in the facilities for
handling freight.

Among the improvements con-
templated will be the extending of
the building's length about 150 feet
and the width 20 feet. If the com-
pany decides to make the improve-
ment, work will be commenced
shortly.

Moses Koch Dead.

J. Koch & Co.'s clothing store on
South Howard st. is closed today on
account of the death of Mr. Koch's
brother, Moses Koch, in Toledo. Mr.
Koch has left to attend the funeral.
The deceased died Thursday. He
was the oldest brother of Mr. Koch,
being 61 years of age. Funeral ser-
vices will be held in Cleveland.

CZAR CONGRATULATED.

Peace Conference Sent Messages to Him
and Queen Wilhelmina--Sessions
to Be Secret.

THE HAGUE, May 19.—The peace con-
ference called by the czar of Russia
held the opening session in the hall
of the Huis Ten Bosch, or the "House in
the Woods," two miles from The
Hague.

M. De Beaufort, president of the
council and minister of foreign affairs
of the government of the Netherlands,
delivered the inaugural address and
welcomed the delegates.

The delegates decided to send the
following telegram to the czar:
"The peace conference lays at the feet
of your majesty its respectful con-
gratulations upon the occasion of your birth-
day and expressed its sincere desire to
co-operate in the great and noble work
in which your majesty has taken a gen-
eros initiative and for which it begs
you to accept its humble and profound
gratitude."

After making his address M. De
Staal, in behalf of the confederate tele-
graphed to the queen of the Nether-
lands as follows:

"The members of this conference as-
sembled for the first time in this beau-
tiful Huis Ten Bosch, hasten to lay at
the feet of your majesty their best
wishes, praying you to accept their
homage and gratitude for the hospi-
tality you have so graciously deigned to
offer them."

The reading of the message was
warmly applauded.

M. De Beaufort was appointed hono-
rary president and the leading Dutch
delegate, A. P. C. Van Karnebeek,
former minister of foreign affairs and
deputy, was appointed vice president.

After the appointment of new secre-
taries M. De Staal's proposal that the
sessions be secret was adopted.

The next session will take place to-
morrow, when the delegates will ar-
range a program and appoint commit-
tees.

The conference then adjourned.
The session lasted only about 25 min-
utes and the apparent unanimity dis-
played was considered to augur well for
the outcome.
